

# The **BUILD** Program

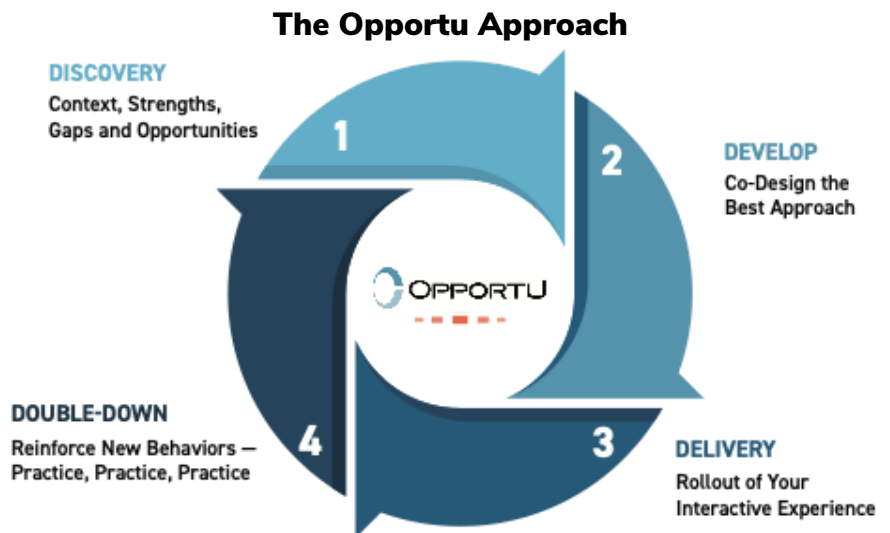

**Leadership skill development and confidence for groups and teams.**

This customized training meets your leaders and managers where they are – whether they are new to leadership, seasoned leaders wanting to grow their skills to prepare for what's next, or they just need a refresher in leadership best practices, we tailor current best practices to your company - and we engage deeply and inspire confidence and new behaviors. Get your leaders fired up and ready to take your company to new heights.

## Program Approach & Components

- Values at the individual & organizational level
- Communication with directs, peers and senior executives - even the tough conversations
- Self-awareness that builds to self-leadership
- More efficient and effective meetings
- Recruiting, motivating and retaining top talent
